The content of our requests to other countries is confidential, but I can say that the request regarding the release of Prevezon's assets was delivered from the Competent Authority of the United States to the Competent Authority of the Netherlands under the 2004 US-Netherlands mutual legal assistance treaty.

Paul and Cristy,

I hope this finds you well. Are you able to share with us a copy of the request DOJ made to the Netherlands regarding the release of Prevezon's assets and to tell us the entity in the Netherlands to which the request was directed?

Thanks,

Kevin
